

Nobelpharma America Launches Patient Support Portal to Provide Services and Ongoing Assistance With Access and Affordability

Nobelpharma America, LLC, a pharmaceutical and medical device company headquartered in Bethesda, Maryland, and a subsidiary of Nobelpharma Co., Ltd. in Tokyo, has announced the launch of Nobelpharma Connect, a comprehensive patient support program that offers a range of resources and services to help individuals with access and information throughout their treatment.

Nobelpharma America is committed to helping patients understand their coverage and identify financial support options to access their Nobelpharma therapies.

Nobelpharma Connect includes the following services for eligible patients:

General inquiries and enrollment

Begin the enrollment process online at nobelpharmaconnect.com. There is also the option to call 1-877-649-3867 during the hours of 8:00 a.m. to 6:00 p.m. ET, Monday through Friday for access to program ambassadors who can help answer insurance-related questions and provide information regarding coverage options. Multilingual options available.

Access to therapy

Nobelpharma Connect provides support with coverage, benefits counseling, and assistance with starting and staying on track with treatment. Nobelpharma Connect's Bridge Program aids eligible patients who have an existing prescription but may experience a temporary lapse in insurance. The Quick Start Program may also provide a one-time, limited supply at no cost to new eligible patients who experience a delay in insurance coverage.

In addition, the Nobelpharma Connect Patient Assistance Program can help cover costs for eligible patients with a prescription who may not have insurance coverage or be able to afford their medication.

Ongoing engagement and support
